We understand that it can be challenging to calculate childcare fees and government funding; we are here to help and guide you with this.
Please look at what this means for you and your childcare costs on our **funding pages**: Speak to your Nursery Manager to understand which funding options may be available and to help you choose the childcare arrangement that best suits your family's needs.
*Funded session fees include food, which equates to £1.20 per funded hour.
**It may be helpful to know that, when funded hours are stretched across 50 weeks of the year, 15 funded hours equates to 11.4 hours per week and 30 funded hours equates to 22.8 hours per week.

Government funding covers eligible funded childcare hours only. The funding does not cover additional items such as meals (breakfast, lunch, tea and snacks), consumables or additional childcare hours beyond the funded entitlement. Bright Horizons supplies the consumables associated with the funded hours. The food charge is non-mandatory and is not a condition of accessing a funded place. Funded childcare is offered in 10-hour funded sessions commencing at the nursery opening time. Any additional hours attended outside the funded session will be charged at the applicable hourly rate in accordance with the Parent Terms and Conditions. The purchase of additional hours is non-mandatory and is not a condition of accessing a funded place. For further information regarding funding eligibility, stretched funding arrangements, food charges and funded places, please see our Funding Guide, Funding Terms and Conditions and Funding Policy. Your Nursery Manager will be able to explain the details about which funding options may be available for you and will help you choose the childcare arrangements that best suits your family's needs.
